

This Cookie Policy tells you about web-based cookies that help this Allied Solutions, LLC (“Allied”) provide and enhance services provided by on alliedsolutions.net (the “Website”). Cookies are small text files that are placed on your computer by websites that you visit. They are widely used to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

The Website requests you consent to the use of cookies during your visit. Consent can be freely withdrawn at any time by deleting cookies from your browser. You are free to decide whether to allow the use of certain cookies within the Website. If you choose to deny the use of cookies, the Website may not provide full functionality.

Allied keeps all the information collected from cookies in a non–personally identifiable format. Cookies from Allied's website located on your computer do not retain your name or other personally identifiable information (PII).

Types of cookies in use

Necessary cookies

These are cookies that are strictly necessary for the operation of the Website. Without these cookies, this Website won't work properly. Allied does not request consent for those cookies. For all other cookies, informed consent is requested.

Session cookies

Session cookies are temporary cookie files which are erased when you close your browser. When you restart your browser and go back to the site that created that cookie, the website will treat you as a new visitor.

Functional/Persistent Cookies

These are cookies which are set up to improve the functionality of the website. For example, cookies that remember the content you previously viewed on this website or the email address and password you provided when registering during an earlier visit to this website.

Cookies that send information to us

First Party Cookies: These are the cookies that can only be read by the Website.

Third Party Cookies: These are the cookies which are placed on other websites owned by third parties (e.g. Google). Third Party Cookies provide information when you interact with the Website. These cookies advise Allied on the user experience monitor and analyze Website traffic from visitors.
